ADMINISTRATION

To the graduating seniors, A HEARTY CONGRATULATIONS. You have successfully met the requirements of having been graduated from Choteau High School. You are now ready to face a new future and new experiences.

This new future will have many challenges. It is hoped that your high school education has prepared you to meet them.

Many of you will be very successful in your future life. Some of you will have to struggle. However, with hard work and ambition, there is not one of you who will not be a success in the adult life you are about to enter.

In behalf of the faculty and myself, we wish you the greatest of success. May your future be a happy, healthy, and prosperous one.

Again, congratulations.
